Use Cases

MAXXYS AG has been proudly working with CA/Broadcom for two decades. We are a long-standing, competent, and successful partner in the field of Broadcom NetOps, Automatic Automation and AIOps as well as IT Service Management and Client Automation. We are passionately committed to expanding our portfolio, with notable additions such as AppNeta. Today, with a dedicated team of 27 professionals, MAXXYS proudly serve over 230 customers across the DACH region. Our clientele spans various sectors including healthcare, retail, industry, finance, banking, insurance, and public administration, reflecting our commitment to excellence and growth in the industry. In November 2022, we took an important step by becoming a member of the GBC Group.
